Xcedent product information and support are provided through these forums. Access to the support categories of this forum is restricted to members (registered users).

The support categories will only appear once a member has logged in.

All forums are moderated. New user registration is restricted to customers of Xcedent and their partners. Registration requests must be approved by the forum moderator before a user may log in.

New posts will not appear immediately. Only those that are relevant to Xcedent product support will be posted.

The moderator(s) reserve the right to edit all posts.

Please allow five working days for registration to be approved and/or new posts to propagate to the visible threads.
